

LEVEL 4

LEVEL 4 IS HOME TO IOWA'S LARGEST BALLROOM

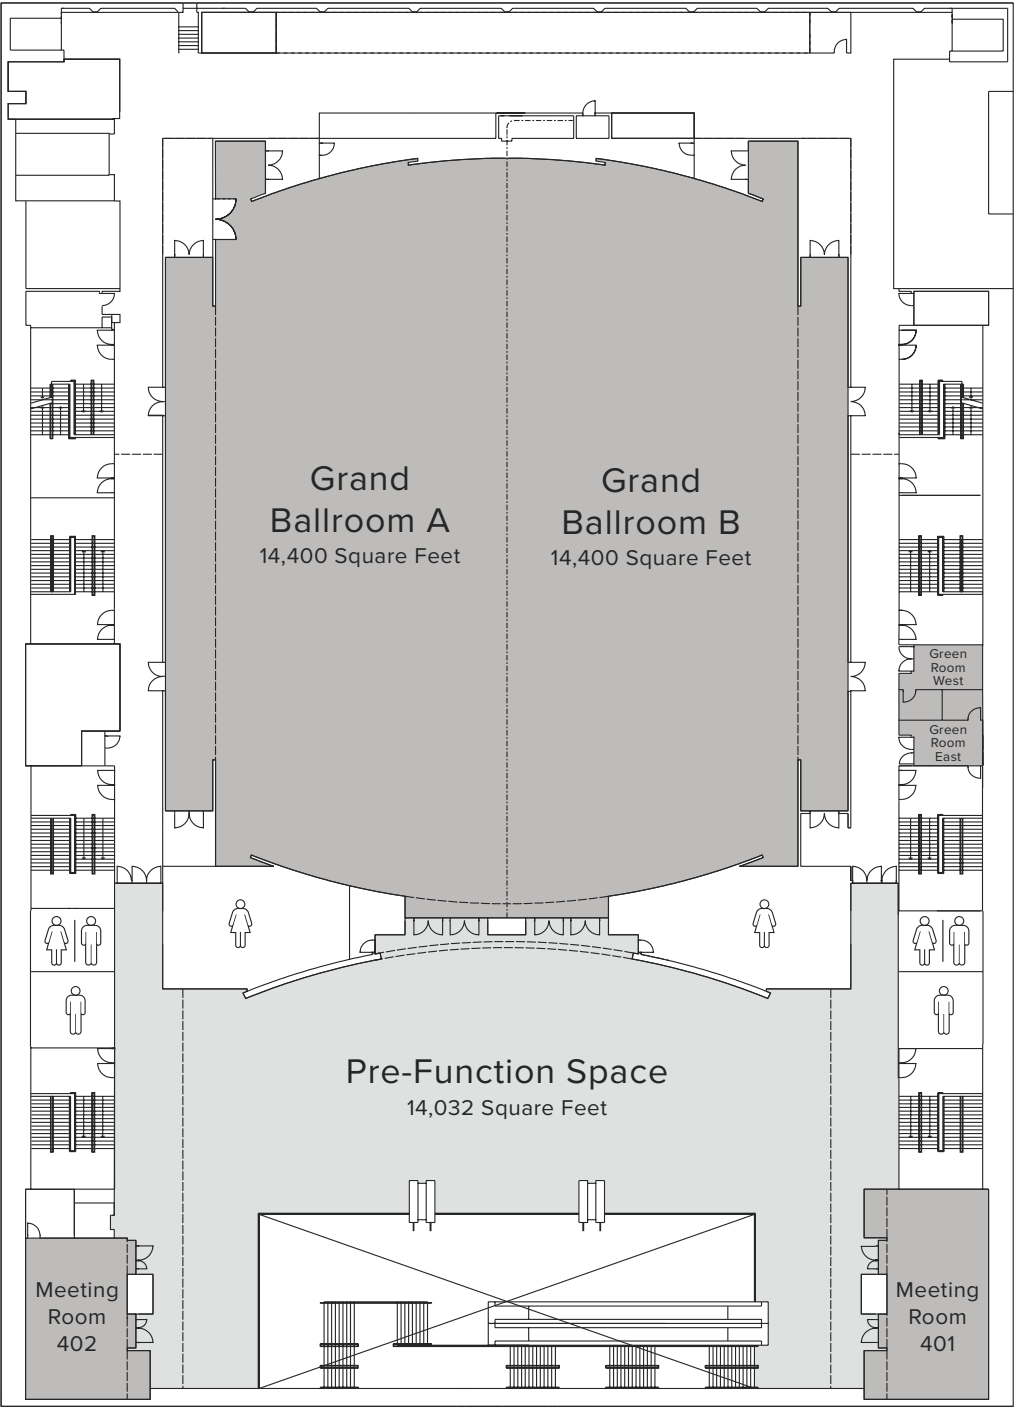

at 28,800 square feet, divisible by two resulting in two separate ballrooms of approximately 14,400 square feet each.

An additional 14,000 square feet of pre-function space can be utilized for cocktail receptions, food stations, vendors and more.

An elegant cloud ceiling with colorful LED accent lighting, scone lighting and twinkle lighting hanging below the clouds offers millions of lighting options in the Grand Ballroom.

(2) built-in projection screens: 12' x 21'.

Freight elevator: 10' x 19'6" with a 9' door and 20,000 pound weight capacity.
